## INTERESTING ITEMS FROM EL VERANO AND SONOMA.

Weekly Record of all the Happenings in the Valley as Faithfully Recorded by Our Wide-Awake Reporter, "Archie McKiver."

Haying has commenced and all our farmers are busy.

Mrs. L. Carriger is visiting relatives in San Francisco.

Chas. Spindler transacted business in San Francisco last Saturday.

L. H. Cliff transacted business in Oakland and San Francisco last Friday.

Mrs. C. T. Lowrey was an El Verano visitor to Suisun last Saturday.

Mrs. M. Coutts and daughter visited at the Block residence recently.

L. and R. Gale drove to Santa Rosa Sunday and took in the aviation meet.

Miss Stickel, who attends college in Berkeley, is visiting her folks above town.

J. H. Koopmann, a San Francisco fireman, is registered at the Swiss American Hotel.

O. C. Benjamin, proprietor of the Bellevue Hotel, received a carload of wet goods the first of the week.

C. A. Bergstrom and H. Summers, representing lumber firms in San Francisco, were here on a business trip last week.

John Basilou, one of our popular young barbers, has purchased several lots from T. H. Baines, the real estate man, in the western addition.

J. Pistolesi is erecting a neat summer bungalow near the A. W. Weaver home and will reside with his family here during the summer months.

Pat McAuliffe, a San Francisco capitalist, is registered at the Gables Hotel, Verano. Pat has many friends here, and he will remain during the summer season.

Among some of the prominent people who visited here the latter part of last week were Supervisor Greene and Chris Peterson of Petaluma and Frank Grace and family of Santa Rosa.

About eighty scholars of the El Verano Grammar School, accompanied by their teachers and parents, held their annual picnic at Leveroni's Park, formerly the Colonel Rogers ranch. A most enjoyable time was had by all.

A petition was circulated here the latter part of last week for a saloon license in the name of Frank Carter, for the Charley Miller Villa which was revoked at the last meeting of the honorable Board of Supervisors.

The recall petition to oust Supervisor Harry Weise has not reached here as yet and they had better stay away, especially the mothers, as it would be better for them if they would attend to their homes and families.

The annual opening of the El Verano Villa will be given next Saturday evening. All our local people are looking forward to the event. Peebles orchestra of the metropolis will furnish the music and the management extends an invitation to one and all.

Captain J. G. Martine, a realty broker and one of the best known men in central California, dropped dead in his office at Sacramento Wednesday, May 14. Mr. Martine was a close friend of the late L. L. Lewis and visited him here on a number of occasions. He was connected with the first street car system in Sacramento and was also Secretary of the county exposition committee.

Master L. Lowrey of Rumsey is the guest of Mr. and Mrs. C. L. Lowrey.

Byron Weaver and Joe Kearney were S. P. passengers for Oakland Saturday.

Miss Myrtle Minkel and Miss Nettie McConcho spent Saturday in the metropolis.

The special train carried a large crowd of passengers to the aviation meet in Santa Rosa last Sunday.

Jack Butler, after spending several weeks in the Bay City, has returned and is registered at Manu's farm.

Louis Peterson and son Milton, accompanied by Kenneth Weaver, transacted business in the metropolis and other bay cities the latter part of last week.

L. Lamotte was called to the bedside of his mother, Mrs. A. Nevraumont in Los Angeles Monday. She is lying dangerously ill and the end is expected at any moment.

One night last week a sumptuous bachelor supper was given by our well-known and popular lumber man, Louis Peterson, to a number of his friends at his residence south of town. Among those present were H. Summers and C. A. Bergstrom of San Francisco, R. K. Weaver, Harry Baines, A. Block, Phil Rossi, and Louis Peterson.

The residence of Joe Dowdall in the western foothills was completely destroyed by fire last Friday evening. Mr. Dowdall had lit a coal oil stove and had gone out in the barn to milk. On coming out, he found his house in flames and it was then too late to save any of the contents. There was a light insurance on the property.

We notice where John Wagon, one of Sonoma's trustees, had a denial in the Santa Rosa Republic last week to the effect that he did not sign the petition to rescind the resolution of the saloon license in Sonoma Valley. Just the same, John, it went through and probably better men than you signed it. A good way to try to advertise yourself.

The residence of Geo. Stillings, a well known chicken rancher in the western addition, was destroyed by fire Tuesday afternoon. Mr. Stillings had a hot fire in the stove and it is thought that the intense heat caused the side of the building to become ignited. There was a light insurance on the house and the loss is estimated to be \$3000.

Does the agitator, trouble maker etc., know what he wants? The answer is no. Before the last election he wanted no places to have a saloon but the thirty-five room hotel. He got this. The amendment was voted on and won. Then for political spite work he tried to do up several of those who had the necessary rooms by depriving them of their licenses. The man does not know what he wants and is now going against his own policies by attempting to recall Supervisor Weise who has done nothing wrong only what the law says he shall do, and why should any citizen sign the recall for a rattle-brained creature as this man who is keeping the people in one continual mix-up in this valley, making no headway whatever, simply trying to kill the beautiful Sonoma Valley. The voters should not sign this recall petition, and should there be an election, vote against it, as it only puts a heavy tax on the taxpayers and makes a fool out of the originator of the recall farce.

Hugh Chance of Sacramento was the guest of his father this weekend.

Mrs. C. Waterman of the metropolis is a guest at the Serres residence.

T. Z. Blakeman, a San Francisco attorney, was a visitor on his large stock ranch Saturday.

Mr. and Mrs. C. L. Lowrey and Master Lloyd attended the aviation meet in the City of Roses last Sunday.

Joe Groskopf of Vineburg is spending a few weeks at the Clements residence in the western foothills.

A large crowd from this place will attend the Sonoma Native Sons picnic at Sonoma Grove Sunday, June 1st.

E. J. Franquelin, an engineer on the Shasta division of the S. P. Co., is visiting at his residence south of town.

John Douglas passed through here Saturday en route to Napa. John had been in Sonoma renewing old acquaintances.

Another rumor is out that Mr. Ellis, a candidate for the nomination of Supervisor against Harry Weise, will be the recall candidate of J. K. Bigelow.

An excursion of picnickers passed through here from Napa last Sunday on their way to Agua Caliente Springs. A brass band accompanied them.

Frank Sprague, well-known Sonoma attorney, has presented the El Verano Development Association with an up-to-date Blue Book, which the members greatly appreciate.

Roadmaster Serres has started sprinkling the roads. Austin Moore is the water wagon driver and at this writing everything is cool in El Verano. The sprinkling will continue during the summer season much to the delight of all.

Joe Haden, former actor, editor, boxer, etc., threatens to blossom out as a Verano reporter for the Index-Tribune. Go to it, Joe, and your first letter will be looked forward to with interest by the many readers of the above paper.

The letter which was written by Chas. Spindler and printed in last week's Index-Tribune was read with a great deal of interest by the people in this vicinity and elsewhere. Come through with some more, Charley, for its all truth.

Several prominent Sonomaites were here Monday conferring with the officers of the El Verano Development Association. Among them were Mayor Cummings, Attorney Frank Sprague, Dr. Thomson and Dr. Parramore of Boyes Springs.

Howard Gregory, the Sonoma farmer, is pitching at his best for the Oaks. Howard fanned out three Seals in last Friday's game in the first inning before the spectators got seated. The batters hardly knew what had happened but they were out just the same.

An automobile coming from Santa Rosa Sunday afternoon ran into a wagon driven by the Hinkel Bros. of Kenwood. The rig was smashed, the horse was injured and the occupants thrown out. The driver of the machine failed to stop and give any assistance but the number of the car was taken and arrests will follow.

Good advice that, "Easy Jim," that your lady correspondent slipped to Archie McKiver in last week's Index. Just tell Minnie dear that Archie read it and always takes advice from a lady. Come up to the ball game at Boyes with your staff of editresses some Sunday, and get a knock down to that live reporter, Art Hickman. He is like the rest of the Index reporters, "single" and is not overlooking any engagements.

"Say, managing editor of the Expositor, where are all those names that signed the petition to give the thirty-five room hotels their liquor licenses? You threatened to print all petitions with names that went against your kingdom, in your paper. Guess you think your recall went amount to much, when you come to look at it. Be game, Mr. Troublemaker. Go through with the recall of Supervisor Weise for we just want to give you one more good beating before your political career comes to an end and believe the writer it will be a five to one shot with Harry in the lead. It has been circulated here that F. C. Dobbel is to be the recall candidate to be pitted against Supervisor Weise. Mr. Dobbel is a chicken rancher, residing near Sonoma and a friend of Guy's. He has about as much chance of being elected as Jack Johnson has of escaping the white livery charge against him. Stay with your hens, Mr. Dobbel, and don't let the mother's club work you into a snag. The taxpayers are getting tired of these special elections and they are always started by one man who never gains anything by them.

Louie Kearney was viewing the birdmen in Santa Rosa Sunday.

Editor H. H. Granice passed through here Monday en route to the Bay City.

Everybody is talking about the grand opening ball at the El Verano Villa Saturday evening.

Lawyers Mathewson of Verano and Cowgill of Sonoma transacted business at the county seat Monday.

The El Verano lumber yard crew are busy this week unloading several carloads of lumber at the S. P. yards here.

Sap Jansen, Sonoma's crack ball twirler, who was signed up by the Coalingo team, left for that place one day last week.

Carlos Emparan, the well-known railroad man, was in town Monday from Sonoma, where he is enjoying a much needed rest.

The different trains brought a large crowd of summer visitors here Sunday, and it looks as if this season will excel all others.

Among those who took in the aviation meet at Santa Rosa Sunday were E. Harris and wife, J. Saunders, Leo Baines, Carl Weaver and Jim Kearney.

An automobile passed through here Sunday en route to the races at Petaluma. Those aboard were Mayor Cummings, Joe Ryan, Aug. Marcy and Emmet Mullen.

Several of our sports went to San Francisco Tuesday evening to take in the boxing bout between Gunboat Smith and Jess Willard, heavyweight aspirants for the championship of the world.

### The N. S. G. W. Drum Corps Outing and Picnic

The young men comprising the Native Sons drum corps of this city are bending every energy to make their family picnic and outing in Sonoma Grove Park on Sunday, June 1st, one big success. The affair is the all-absorbing topic of conversation among the families of Sonoma Valley, many of whom will bring their lunches with them and make themselves at home. That this family picnic and outing will be one of the most sociable and enjoyable gatherings that has taken place in this city for many years does not admit of a doubt. For the accommodation of those who do not care to bring a lunch with them a fine ravaoli dinner will be served on the grounds.

### Baseball Game to-day (Saturday)

This afternoon at 2 o'clock the Sonoma Grammar School team will line up against the Sebastopol Grammar School nine on the Sonoma diamond. Bateman; short stop, Dressel; fielders, Stockwell, Roddy, Prestwood, R. Bateman or Le re Maffei. The boys extend an invitation to all lovers of the national pastime to come out and see the game. The regular annual meeting of the Congregational church will be held in the church parlors on Wednesday, May 28th, at 7:30 p. m. Members are requested to be present.

A reception will be tendered the Rev. T. M. Price and family by the Congregational Church and the ladies of the Aid Society at the home of Mr. and Mrs. B. F. Campbell on Thursday evening, May 29th. A very cordial invitation is extended to all friends of the church to be present.

A post card from F. M. Burris, President of the Sonoma Valley Bank, to the editor of this paper states he is having the time of his life autoing along the international boundary line between Mexico and the United States. From this we infer that Frank is combining pleasure with business.

At the horse races held in Petaluma Sunday the main event was the trotting race between G. S. Silva's Mildred O. and Reed's horse of Cotati. The latter was driven by Joe Ryan, Secretary of the Sonoma Driving Club, who won two of the three heats. The race was for \$100 a side.

Hupmobile makes wonderful record in Sweden. It wins endurance runs against field of thirty-four cars, nineteen of which were American and fifteen foreign, an English car winning second place and a Swedish third. The winning Hupmobile held the lead from start to finish over a course of 723 miles of ice and snow. The time in which the Hupmobile won was 28 hours and the judges who rode in the different cars suffered considerable from cold as no stops were allowed, only for replenishing fuel. This makes another victory for American made cars.

### Sonoma Won

The Corinthians of Tiburon went down to defeat before the Sonoma club last Sunday by a score of 12 to 2. Although the score was one-sided the game was very interesting. Three double plays were made by the home team besides other clever fielding stunts by both sides.

The particular features of the contest were the pitching of Boccio, for the winners, and the fielding of Schilling for the Corinthians.

Score: R. H. E. Sonoma 12 15 3 Corinthians 2 9 3 Batteries: Sonoma—Boccolli and G. Block; Corinthians—Wasser and Frank. Umpire—McNab.

### Baseball Game Sunday

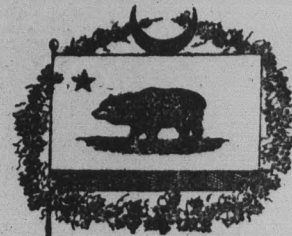

The Sonoma's will cross bats with the Napa Independents tomorrow (Sunday). The game will doubtless be hotly contested as the Napa boys are coming over with a strong team and a bunch of rooters. Come early and get a seat. Game starts at 2 o'clock.

## That Recall Crusade Against Supervisor Weise Gets Cold Frost

The foolish crusade against Supervisor J. H. Weise by G. J. K. Bigelow and a few others of his ilk in this valley, who seek to deprive him of his office through the medium of the referendum is not meeting with much success at the outset. In fact, those who have undertaken the task of securing the necessary signatures for a recall election are being turned down in all directions in this valley, and it now looks as though the whole miserable business would peter out for lack of support. The people see in this recall business meanness and spite work to appease the vanity and mischief-making proclivities of the would-be dictator of Sonoma Valley, and they will not stand for it.

It will cost money to hold this recall election and the taxpayers will have to foot the bills, and for what? Where has Supervisor Weise offended? Let us look into the matter and see for ourselves. At the May session of the Board of Supervisors Mr. Weise was instrumental in putting into commission four thirty-five room hotels in this valley that were clearly entitled to do business under the Roadhouse ordinance adopted at the polls last November. This proposition as presented to the voter on his ballot read:

"Argument in support of ordinance to close roadhouses. The ordinance submitted to the voters to limit the sale of intoxicating liquors, wines, beer, etc., to bona fide hotels, physicians, chemists and those engaged in the manufacture of distilled, fermented, malt, vinous or other spirituous liquors in Sonoma County, outside incorporated cities or towns will have the effect merely of closing the roadhouses, and will not close the saloons in incorporated cities or towns, the wineries, summer resorts or the legitimate hotels complying with the requirements of the ordinance."

Such, men and women voters, is the law under which the Roadhouse ordinance was adopted, an ordinance which expressly states that it does not strike at resorts and hotels of thirty-five rooms or more. In rescinding the resolution of February 7th Supervisor Weise and his fellow members simply removed an obstacle in the way of strictly carrying out the objects of the ordinance under discussion and for which J. K. Bigelow and his fellow mischief-makers would recall him.

This action on the part of Supervisor Weise was just as right and proper as was that of depriving the Parente Villa of its liquor license, which action was taken on motion of this self-same Supervisor when proof was submitted to him that the resort had violated the liquor ordinance of Sonoma County.

Now we submit, that the voters of this Supervisorial district ought to uphold a Supervisor who has obeyed the law strictly to the letter in the two instances mentioned above instead of being inveigled into a scheme to harass and deprive him of an office which he has filled with ability and dignity since assuming it five months ago.

We have too high a regard for the citizenship of this Supervisorial district to think for one moment it will take seriously to this recall movement against a man who so far has served the people faithfully and well and whose only fault lies in the fact that he has refused to take program from an egotistical would-be political leader of public affairs in this valley.

The mischief-maker and trouble-breeder of this valley who sought to have Miss Margaret More ousted as a teacher in our High School and made a miserable failure of it for the simple reason that that young woman is one of the brightest teachers in California, and as such has held her present position with credit and honor for several years, must needs be kept busy in stirring up strife and trouble in our midst. For this purpose he is now agitating the recall of Supervisor J. H. Weise, whose only offense has been to put an objectionable resort in this valley out of commission and upholding the Roadhouse ordinance strictly to the letter. "Oh ye gods and little fishes." This rule or ruin business of a buffoon surely makes one extremely tired.

The movement inaugurated by the El Verano Development Association to secure the building of a cut-off road between Sonoma and Napa Valley towns to connect with the State highway at or near Napa Valley Marin county, is a progressive and commendable one. This cut-off would save a distance of fourteen miles for automobile and other vehicular travel to and from the metropolis via Sonoma Valley and would do more than anything else we know of to put the towns of the Sonoma and Napa valleys in touch with the outer world by cutting down distance and connecting the people of those valleys with the State highway, accessibility to which is the very essence of business life to those communities.

Bigelow and his fellow crusaders argued on the sample ballot that did not want to close summer resorts or the legitimate hotels with the requirements of the Anti-Roadhouse ordinance. If Weise promised them that he would stand by what they said.

were arguing for he has not broken faith with them. If they did not mean what they said on the sample ballot then THEY and NOT Mr. Weise were lying to the voters.

The Sonoma Valley Union High School is indeed a credit to the community which maintains it and its corps of able teachers who have brought it up to its present high standard of efficiency. From statistics taken from the report of W. Scott Thomas, Examiner of Schools, and printed in the last biennial report of the University of California, our local high school stands head and shoulders over every other high school in Sonoma county in efficiency, and while outranking these a good many points is even a few points better than the general average of the State University.

From a report published elsewhere in these columns by Bruce H. Painter, the talented principal of the school, facts and figures are given which go to prove our contention. Moreover the cost of maintaining the Sonoma Valley Union High School is below the average tax rate of the other high schools in both county and State. The school is also on the accredited list—that is to say, its graduates may enter the State University of California without further preparation.

Too much praise cannot be accorded Principal Painter and his able assistants, Ellen Trueblood, Margaret More and Richard H. Platt, for the present high standing of the school from any angle one may look at it. They certainly have made good.

# VINEBURG NEWS ITEMS

"Easy Jim" Tells in an Interesting Way all About the happenings in and About the section of the Valley.

Norman Heggie was a visitor at Batto's spur on Monday morning last.

Miss Adele Andrieux was the guest of her sister Mrs. Charles McDewitt on Tuesday afternoon.

Earl Abbot, after an extended stay in Fresno Co., returned to his Vineburg home on Wednesday last.

Al Miller, the well-known race horse trainer and jockey, has been engaged to handle the horses of Major Bowhill.

We are glad to state that Miss Hetie Voight is now convalescent which will be good news to her many friends.

Mrs. Thomas Lentz and children of San Francisco are the guests of Mr. and Mrs. Enrico Forni at Pleasant Villa.

Mrs. Butterwood and two children of San Francisco are the guests of Mr. and Mrs. George Burns on the Hyde tract.

Adolph Rubke is busily engaged in putting in a stock of first-class up-to-date groceries in his store at Vineburg. Go to it, Dolph.

The vineyard and orchard men should feel proud of the condition they have their orchards and vineyards in this vicinity—smooth and level as a billiard table.

Mrs. August Figone and children, accompanied by Miss Mary Batto, returned to the Bay City on Saturday after spending several days at Batto's Spur.

Albert Groskopf, Jr., who has been quite ill for some time past, is getting better and will be around in a short time. His many friends will be glad to know this.

Messrs. George Cassidy and George Voight, two expert hunters, left on Monday for a trip through Lake county, where they will spend a couple of weeks in hunting and fishing.

We are glad to state that Joseph Groskopf, who has been ill for some time past is now up and around and in a short time will resume his duties as engineer at G. B. W. Co's plant.

Chester Studley and Cedric Cutler visited the county seat on Sunday last and took in the auto circus. They must have enjoyed themselves as neither one has any-thing to say. Silence is golden.

Arthur Batto has purchased a swell automobile from Captain Houts of Santa Rosa. It is a Kissel 40-horse power car and is supplied with all the up-to-date appliances, electric lights, etc. It is a beauty.

We hear that the City baseball team that played the Sonoma team got all that was coming and runs besides as the score stood Sonoma 12 and Sausalito 2. Leave it to the Sonoma boys when they open up.

Easy Jim:

Our new Mayor Jack—excuse me, John Murray—was a visitor to Batto's spur on Tuesday last hold-

ing the ribbons over a pretty grey colt and seated in a rubber-tired rig. There is no flies on the new Mayor. He is too swift.

Archie McKiver writes last week about two of Vineburg's fair maids. That's nothing, Archie, you should come down this way once in a while and you will see plenty more fair ones.

Who were the two leading citizens of Vineburg, who on Tuesday morning at 3 a. m. were sitting on a bale of hay beside the county road watching a can of mulligan boil and sweetly singing, "Just as the Sun Went Down?"

Archie McKiver is a very busy man as in all this long time he has never told us what became of the fair heires, Belle Brandon. I hope she is well as I am personally interested in her good fortune as she owes me thirty-five cents.

I hear that my old schoolmate, James L. Modini, is going to invent an air ship, that is Jimmie is going to do the thinking and Vic Beretta will do the work. They expect to have it on the market about 1915. Yours,

Jessie Jay.

The Ex-Mayor of Vineburg is a busy man as he is cleaning and fixing up everything in shape at the Old Homestead for the coming summer. His Honor has many warm San Francisco friends who visit him each summer.

EASY JIM.

# PRaise for Our HIGH SCHOOL

Committee of Investigation Commends the School and Praises Its Teachers.

To the Board of Trustees of the Sonoma Valley Union High School: Gentlemen:

Your Committee, appointed to make inquiry concerning the instruction given in our High School beg leave to report as follows:

We have made diligent inquiry among parents, pupils and teachers and feel that we can say without reserve that the subjects taught in the Sonoma Valley Union High School are the same as those taught in high schools throughout the state, and required by the State Board of Education; and that no subject, religious or political, is given undue attention. All subjects are being treated with equal candor and fairness.

We found that the parents generally expressed satisfaction with the teachers and the conduct of the school and also that the work of the Sonoma Valley Union High School stands well when compared with that of other high schools of the state.

All of which is respectfully submitted by,

Robert P. Hill  
J. M. Allison  
H. Rubke  
Committee.

# GLEN ELLEN ITEMS.

Mr. and Mrs. C. J. Poppe attended the aviation meet in Santa Rosa last Sunday.

Mr. and Mrs. J. Trusty and H. P. Trusty went to the Bay City Saturday with B. Freeman in his automobile.

Word was received here Tuesday of the marriage of Howard Paige and Miss Josephine Fleur of Pasadena.

The grand opening of the Fairmount Hotel and Village last Saturday was a decided success, over one hundred people attending.

Ernest Sobbe left last Sunday for Tiburon, where he has accepted a position as breakeven on the freight between that place and Sausalito.

The Glen Ellen base ball team plays the Leslie Salt Co. of the metropolis next Sunday. The local team has been strengthened by three new players and a good game is expected.

A fast game of baseball was played here last Sunday between Burns Colts of San Francisco and our boys. The locals were handicapped by the absence of two of their players and went down to defeat by a score of 6 to 3.

# THE RECALL OF SUPERVISOR WEISE

BY CHAS. SPINDLER.

Mr. Editor:

Last Saturday morning's papers brought the weather report: Fair, warmer, with moderate N. W. wind, and—it rained. Another funny prediction could be noticed in the Expositor in dishing up to its readers that Supervisor Weise would be ostracised in August after a short but successful campaign. The predeterminer of that sheet will also find that a terrible cold shower will come down on him if said expected and predicted election ever takes place. Not all the people in Sonoma valley are blind, and while some of them may be coaxed to sign some one of the twenty petitions the secret ballot will show.

In said prediction of the Expositor, with a one-inch headline, some fancy juggling is carried on, namely the claim that the dry fanatics, Bigelow & Company, elected Weise Supervisor. To state the truth: Taxpayers dissatisfied with the manner in which the funds for road improvements had been diverted turned the tables. Had Supervisor Hart cut loose from the roadmaster and his followers in time Weise never would have had a show. But now that Mr. Weise has taken Blair Hart's place and within the short time of occupying the office shown what can be done with the road funds people who voted against him are now entirely on his side.

To recall Weise requires 379 signatures to the petition, says the Expositor. How many signatures there were on the petition to the Board of Supervisors to rescind the eleven wet-places resolution the Expositor willfully forgets to mention.

The whole movement appears to the disinterested citizen as an attempt to be and to stay before the public and to make some crowing noise by the owner of the Expositor. It reminds me of the Alabama nigger, Jim Nelson, who furnished enough stuff for the newspapers for years through his bold acts and deeds, till finally a mob stopped it by taking him out of prison and lynching him.

And we are made acquainted with the fact that the Chamber of Commerce of Sonoma has taken over will take a hand in the ostracising job. That clover leaf, not enough members to form a card club, seemingly has very little regard for the real conditions of the valley if said news is correct. Otherwise they would not follow that Great Leader in Morality.

But it is too bad that this leader knows so little about politics and how a politician can be successful: a good politician will keep all personal, but ignore all political promises made before election. Now, did Mr. Weise make any personal promises to the Boss and has not kept them to vex the Boss's feeling? Boss, I say, because he claims that he and Company elected Weise. But the people opposing this Bossdom will re-elect Weise, because he has shown some backbone and cut loose from the owner of the Expositor.

Likely Mr. Weise has found out since election and it is his fortune to have cut loose from that dictator.

No doubt the readers of the Expositor have not overlooked the promise that the petitions will be handled secretly and no names revealed. This suggests the warning that said petitions will have to be watched and inspected carefully, whether names are real or simply copied from tombstones of any graveyard.

# SONOMA VALLEY UNION HIGH SCHOOL

Facts and Figures Prove that it Outranks Every High School in the County--Principal Painter's Report.

To the Trustees Sonoma Valley Union High School—Gentlemen: I have the honor to submit herewith a report of the standing of the Sonoma Valley Union High School, and also comparative records of the other high schools of Sonoma county, as taken from the report of the examiner of schools, W. Scott Thomas, printed in the biennial report of the President of the University of California for the years 1910-12.

The standards by which accrediting is now accorded are: The general quality of the teaching, the spirit of the school as shown in the relations prevailing between teachers and pupils, the average attainment and performances of the pupils in their classes, the character and scope of the course of study; the equipment of the school building, laboratories and library; and finally, the attitude of the community towards the school as shown by the degree of financial and moral support given the school.

Our High School first had the right to recommend graduates to the University in 1907, but did not have its name formally placed on the "accredited list" until 1911.

Note—The upper figures, under the year, after the names of the schools, give the scholarship record, called the "index figure," and are based on a grade of "1" being perfect and "5" a failure, with "2" "3" and "4" intermediate. The nearer the figure is to "1" the better rating that school has; the lower figures indicating the number of Freshmen considered in making the calculation:

SCHOOL AT	1910	1911
Cloverdale	3.35	(1)
Healdsburg	2.08	(3)
Petaluma	3.14	(2)
Santa Rosa	2.86	(5)
Sonoma	3.62	(2)

Total Number of Freshmen University Calif for same year 2.44 (567) 2.43 (601)

Sonoma has three who entered in 1912, whose average as above is 2.40, so it seems that Sonoma ranks a few points better than the general average at the University of California, and a good many points better than the general average of the county for the past two years.

If we wish to maintain this good rating with the University we need to look at the standards by which accrediting is accorded, and see to it that those standards are maintained in every detail.

Another striking fact brought out in this report of Professor Thomas is that in no year has the "index figure" for private schools equalled in value or even closely approximated the "index figure" for the public high schools for the given year.

Comparative facts compiled from the report of the State Superintendent of Public Instruction in regard to graduates of high schools: PERCENTAGE GRADUATED ON BASIS OF AVERAGE DAILY ATTENDANCE.

	1911	1912
Whole State	13 pr ct	14 pr ct
Sonoma county	14 pr ct	17 pr ct

# BOYES HOT SPRINGS HAPPENINGS.

By Art Hickman.

Frank Goad is back at his country home here after spending more than his time around the different clubs of the metropolis.

An automobile party consisting of District Attorney Thos. P. Boyd, Judge Thos. Lennon and F. L. Douglass of San Rafael spent the week end at the springs.

Next Sunday the Boyes Springs team will take on the lively bunch of players who float the Barney Frankel emblem and a good game is assured all those who attend.

Col. Brady has been in the big city for a week combining business with pleasure. He is expected back for Sunday's doings, then laughter will once more prevail.

Catcher Reiterman of the locals leaves next week to join the Los Angeles club of the Pacific Coast league. Scouts have been on Reiterman's trail all season and it was only last week they succeeded in obtaining his signature.

Big Tom Baines was the busiest man around Boyes Sunday. If all the people in the valley had the confidence and plugging ability that this individual possesses we would have three or four roads crossing the Petaluma creek.

Ashton Stevens, the journalist, is now a guest at the Boyes Hotel and will spend two or three weeks at the resort. Mr. Stevens is accompanied by his wife and his father, altogether making quite a family reunion, as Mr. and Mrs. Landers Stevens are also in camp. Many a pretty dinner party has been given in their honor at Woodleaf Park.

Rudy Litchenberg made a special trip to Crockett this week to sign up the speedy team of the sugar town. This team has a strong following, it having guaranteed to bring at least two hundred and fifty rooters from its section. Mr. Litchenberg states that terms were agreed upon and the date set is June 22nd, when an excursion will be arranged and besides a baseball contest, there will be a general good time. On this trip Mr. Litchenberg was accompanied by Jack Kelly of Boyes water fame, and they both report a very prosperous trip.

Bill Gowan, the popular mechanic, celebrated his twenty-fourth birthday Wednesday.

An automobile party, from San Rafael this week was headed by Tom Lunny and Geo. Agnew. They spent three or four days at the springs and promised a speedy return.

The writer went to San Francisco to witness the heavyweight battle between Gunboat Smith and Jess Willard. It was the first fight attempt in the metropolis in an open air arena at night. I don't think the public was delighted at sitting on a hard bench in a most miserable fog that was freezing, especially the ones that put up five or ten dollars to witness the poor mill that it was. Some day some one may be able to regulate this game of sport so that a man will not be allowed to go into the ring to put up a battle against a man whose bulk is fifty pounds heavier than the other. The affair was most uninteresting, having only showed signs of life in two rounds out of the twenty. It was merely a game of cleverness on the little man's part and stability on big Jess' part.

Poor Tom! but he made good and Irlanda representatives of the San Francisco police force carried home a victory. They should be well proud of having had a hard pull throughout. Ossie Ball, the Boyes star pitcher, served a superb article of ball, except for the second inning which proved disastrous to the final score. As usual the game was called at two o'clock and the first man up for the police force fanned, with the next two following in quick succession (loud cries from the Boyes rooters.) Boyes made one run in their half and from all prospects we had the game cinched (so said Mr. Stevens), but Ossie lost control, Reiterman split his finger and the whole police force chased themselves around the bags scoring four runs, (pitiful cries from the Boyes rooters.) Just at this moment Bill Gowan and his young lady friend (?) entered the grandstand, after which the Boyes team scored four runs. Poor Tom smiled, perspired, showed his teeth and allowed no more runs to score while his sturdy followers made enough tallies to finish the game 6-5 in their favor. The game was spectacular throughout and many brilliant plays were made by both teams. The games which have been played on the local field this season are all that can be expected and the spectators have had no complaint.
